

Security Committee

SECOM-D-386

3 February 1983

MEMORANDUM FOR: Members, DCI Security Committee

FROM:

Chairman

SUBJECT: Draft Revision of DCID 1/16

Attached for your review and comment is the draft revision of DCID 1/16 submitted by the Chairman of the Computer Security Subcommittee. Please come to the 23 February 1983 SECOM meeting prepared to discuss this draft. It would be helpful to the discussion if you would prepare proposals for changes in line-out/line-in form.

The Chairman SECOM has advised he has lowered his sights on a "line-out/line-in" revision and will settle for discussion of broad concepts/policies/problems. The DC/ISSG was informed of this change in approach and will use it in pre-SECOM briefing of the AD/S.
